JORDAN HARRIS

'23-'24 TREASURER

Hey y'all! I'm Jordan Harris and I am your Cincinnati NSBE Professionals Treasurer. I was born in Baton Rouge, LA and grew up in Kennesaw, GA. I got my bachelors in mechanical engineering from Purdue University (shoutout to the Mother Chapter)! I currently work at Procter and Gamble as a scientist in Research & Development for Feminine Care. I have a passion for music production (@Common J), playing trombone, cooking, and playing lacrosse. I wanted to serve on the board because I believe in making an impact in younger peoples lives the same way I've been poured into growing up. NSBEs community building and local impact can't be overstated and I'm blessed to be able to help out
