KAI DOYLE- SHANNON

'23-'24 SECRETARY

Hey! I am Kai Doyle-Shannon and I'm serving as NSBE Cincy Professionals Secretary. I was born in Brookly, NY and raised in Trinidad and Tobago. I graduated from The Illustrious North Carolina Agricultural & Technical State University with a BS in industrial & systems engineering. Currently, I work at Procter & Gamble in North America Transportation Operation. I enjoy binge watching TV shows and trying new restaurant. I love NSBE for their commitment to increasing STEM opportunities for underrepresented communities.
